15. CENTRE AGREEMENT AND DECLARATION:

All applicants are requested to read, tick the boxes as appropriate and sign below. This declaration must be signed by an authorised signatory in his/her own name for and on behalf of your centre.

15.1 Centre requirements relating to students

I declare that my centre:

- will ensure that an adequate assessment of the students' existing skills, knowledge and understanding is made prior to registration for a particular award and that there is an accurate record of the students' progress and achievements.
- will provide students with accurate and up-to-date information about the awards and qualifications available at the centre.
- will ensure that we fully understand the assessment specifications provided by ILEX and that we comply with its provisions.
- will take all necessary steps to ensure that work submitted is the student's own.
- will have documented procedures for handling student disputes and appeals against our centre's internal assessment decisions.
- will ensure that valid and reliable assessments of students' achievements are conducted and that details of these are made available to ILEX at the appropriate time in an appropriate way.
- will provide students with centre policies and complaints procedure if requested.
- will agree to provide adequate safeguards to protect the interests of students and liaise with ILEX where programme provision is to be terminated.
- will inform ILEX immediately if we are aware that a student needs access to reasonable adjustments.

15.2 Centre requirements relating to staff

I declare that my centre:

- will provide all ILEX tutors with appropriate inductions and professional development (including a development plan) to

ensure that they can maintain their expertise and competence to deliver the ILEX qualification(s).

- will supply staff CVs and other evidence (for example original certificates) to ILEX in a timely manner upon request.
- understands that any misleading information provided, and/or failure to supply CVs and/or other evidence upon request, may prevent approval for centre accreditation being granted.
- has in place appropriate staff and relevant systems, or has plans in place to appoint appropriate staff and put in place relevant systems, before the ILEX qualifications are made available, in accordance with the requirements of the ILEX qualification(s).
- will ensure that ILEX programme managers, course coordinators and tutors are competent and have access to appropriate training, guidance and support.

15.3 Centre requirements relating to resources

I declare that my centre:

- will have adequate systems and resources in place, including staff, equipment, materials and software, to support the delivery of the ILEX programmes.
- will adhere to any assessment requirements in accordance with the ILEX qualification(s) requirements.
- will use buildings that provide access for all students for assessment purposes, in accordance with relevant legislation including without limitation the Equalities Act 2010 and any successor legislation.
- will ensure the security and confidentiality of assessment materials and records, including examination question papers, examination scripts, records of marking, and Professional Skills assessments before, during and after the assessment has taken place.
- is working towards the full implementation of all the requirements associated with qualifications accredited to the Qualifications and Credit Framework (QCF), and that this includes arrangements for the acquisition of Unique Learner Numbers (ULNs) for students (where appropriate), and the development of systems and processes necessary to ensure that students' QCF achievements and their associated credit are both tracked and maximised.

- has a documented quality management system in place that is systematically reviewed to ensure that students and staff needs are addressed, that all appropriate persons are kept up-to-date with the quality policy, procedures and standards, and that responsibilities for the management of these systems are clearly and appropriately allocated.
- has effective communications systems in place both internally and with ILEX and students, and agrees to inform ILEX immediately should any changes occur to the information supplied in this application.
- has an appropriate and effective system for the management of all sub-contracted services and that all policies and requirements referred to in this application will apply to all satellite sites affiliated to our centre, for example, remote assessment sites or delivery points.

15.4 Centre requirements relating to its obligations to ILEX

I declare that my centre:

- will be aware that the information supplied to ILEX could be required by the regulatory authorities.
- will ensure that internally assessed work is submitted to agreed deadlines as specified by ILEX.
- will keep complete and accurate records, for at least three years from the end of the year to which they relate, for all ILEX qualifications and make these available to ILEX upon request.
- will report immediately to ILEX any suspected malpractice in line with the statutory regulation and respond speedily and openly to all requests for an investigation into an incident. A nominated representative of our centre will personally supervise all investigations resulting from an allegation of suspected malpractice / maladministration.
- will ensure that any breach in security is reported to ILEX immediately.
- will agree to provide ILEX and the regulatory authorities, on reasonable notice, with access to premises, people and records as required, and to fully cooperate with ILEX's and the regulatory authorities' monitoring activities, including but not limited to providing access to any premises used (including satellite sites).
- complies with all relevant legal, regulatory criteria and codes of practice as updated and amended from time to time.

- will ensure that all of our centre policies are up-to-date and reflect any legal changes which have been implemented or changes to the centre.
- agrees to comply with additional requirements as requested by ILEX following reasonable notice.

15.5 Centre agreement to the terms and conditions set out

Please note that ILEX reserves the right to view all materials detailed within this application either through the application process (inclusive of a centre visit) or via a post-accreditation monitoring activity.

I[insert name in capital letters] declare that my centre agrees to adhere to the procedures and policies of ILEX in respect of this application and accept that if my centre defaults on the commitments made in this application it may lead to the suspension or withdrawal of its ILEX Accredited Centre status.

I confirm that my centre understands that if this application is accepted it will form the contract between the centre and ILEX.

I declare that I am authorised by my centre to supply the information given above and, at the date of signing, the information provided is a true and accurate record to the best of my knowledge.
